Owners Statement

This has been a frustrating mare, and we haven't done her any favors at all, which is not her fault. Bought this mare strictly because we had bought a share of Dejarmbro and wanted to breed her to him. The mistake was that we bred her to that horse for the first three years. Dejarmbro's success has been somewhat limited and we never should have went there three years straight. This mare needed to be bred to Swan For All. We did that this year, but unfortunately at recheck, she had slipped the foal. So we're ready to cut losses and move on. In the field, this mare can flat out fly on the trot, so we are confident the speed is there, you just need to breed her right.
